

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

CORRECTION.

ON p. 179 of my article on "Rabbinic Judaism and the Epistles of St. Paul," I have made a faulty and careless reference to Canon Gore's book on *The Epistle to the Romans*. I have there said that "according to Canon Gore, Rabbinic Judaism seems to have been one mass of 'moral hollowiness and rottenness, of pride, stagnation, conventionalism, and hypocrisy.'" Canon Gore does apply the nouns quoted to Rabbinic Judaism, but he does not say that Rabbinic Judaism was "one mass of them." His exact words are quoted on pp. 211-214 of my article, and will be found on pp. 97, 98, 164-167 of the first volume of his Commentary. I much regret that I should have made this mistake.

C. G. MONTEFIORE.
